YOUR STORY, YOUR SCREENS

FUNCTIONAL INFORMATION LEAFLET FOR DIGITAL SIGNAGE & IPTV
# FEATURE: RSS

RSS stands for Really Simple Syndication. It is a protocol that various websites use to make content available as a feed. With the RSS widget, Oscart allows you to easily add dynamic content such as text or pictures from public feeds to your pages. In other words: dynamic, creative content that enrich your signage dynamically and for free.

1 Create a zone with the RSS widget

2 Pick or enter your feed URL

3 Enjoy pictures or text from the feed
